

PSS Minutes----- 2/9/09

6pm- Presentation by Mr. Page's Class titled Trash Talk. The slideshow demonstrated the need for more trash cans at our school. The talk was given by students in his class. They are going to ask for support in funding their project at the next PSS meeting.

Yearbook- Gail Anderson. In May we will need room mom's to take pictures. We should consider offering 5th graders who can't afford a year book to get one through the PSS. Vote was taken and approved by the PSS. We will ask for payment by May and then cash only after that time.

Tool Box- Need chairperson and quickly to get signing bonus. We are planning are using a local supplier and adding a couple of dollars for profit.

Gift-wrap- Ruth Miller Tidball is going to be chairing this fundraiser.

Teacher conference night dinners- Mexican soup and salad is one night- This is just for the teachers. More info in dragonflier.

Ruth Miller Tidball gave budget updates- highlights- passive income \$2,039 from Albertsons and \$1,200 from Box Tops There are still unspent classroom funds and grade level wish list that haven't been filled.

Student store update

\$40.00 from last month- have heard from teachers that once a month is too hard for kids to remember and maybe the time should change from 10 to 1pm to just am or just pm.

Need to make a bigger deal for kids who dress up for spirit days. 5th graders could go around and count. We could make winning class spirit ambassadors for the week with spirit sticks.

Fun Run-Has had a committee meeting. Assigned tasks. The groups has raised \$1,000 in contributions so far, needs \$2,200 for t-shirts- not sure if t-shirts are going to work. Possibly raising money for hanging microphones in the gym.

Gift Card update- sales low due to closure around the holiday but we will continue it.

Auction-

Ericka discussed auction- should we do it next year or every other year. Issues- Wood is having one next year- conflict?

Need more volunteers.

Buzz would create more volunteers for next year. We should find out when Wood is holding their auction.

We decide to have an auction next year.
