Back to school night- We will be having a smoothie social after the children check in with their teachers. The smoothies will be the sample size. We might be having a water feature for the kids to play in the night of. The school will be sending out the packets ahead of time for the families. The time will be from 2 to 4pm.

Ericka will contact Allison Sherman about passing out the Tool Box kits.

Budget- Jennifer has an idea for the Technology in Residence person with the new library IA. This person will support classes that have technology projects they are working on. We are adding Jennifer Patterson to the classroom support budget.

We approved the budget for 2009/2010 school year!!!!

Banners- There was discussion on how to create banners that would be up for the school year. We are going to find a parent to help make banners initially and then we will have a contest for students to make designs for the permanent banners.
