PSS Meeting!
6pm-

Mr. Page came to pss to discuss the issue of trash management which was discussed at the last meeting. The class went over trash can choices with school officials and came up with a recommendation. The 3rd least expensive choice is a heavy gauge steel style with an open top. The price for each can is 638.00 with 3 dollars shipping. His class would like to get 3 funded and it was proposed to pay for two and then check back after other resources were looked at by the next meeting.

School tool box- Alison is working hard at developing this. We are going to add 3 dollars to each tool box for a profit for next year. The boxes will be from 35 dollars k-2 to 55 dollars 3-5.

Bingo night still on- April 24th! Angi is very organized.

Teacher conference dinner wrap up. Teachers were very appreciative. Melissa and Tandy will be chairing this again next year.

Budget update- We currently have about 50,000 cash. More is coming from the auction! Since last month we got the donation from Dr. James for the auction also. Ruth just transferred 1,500 from paypal for misc. items. Should we use paypal for script? They take a percentage of our profit. Maybe we should add a service fee for items purchased on paypal.

We need to have conversation regarding the computers we are going to buy with the auction money. Michael is going to look into the options regarding mini- nine computers. We are also waiting for district fund for computers also.

Fun Run update- We are close to getting t shirts for all the kids!! Albertsons is donating all the food for the event. Michelle needs room parents' support. May 8th is the event day. Will check with Wood to make sure they don't need the field.

May 5th is Kindergarten round up. Should we get shirts and sell them at the round up? Round up is a parent only event.

Board positions- Ericka is running for president. She was nominated and approved. Mary is going to be the Marketing Director. Stephanie W. Jody and Leslie will be Volunteer Coordinator, treasurer, and secretary. Angee will be art lit coordinator. We still need ice cream social chair and a few others.

Schwan's ice cream fundraiser presentation- They do the advertising. We will review the materials and get back to them.

Principal sharing- Michael shared a book called Bridget's week by Mrs. Long's class. This was an example of finishing a quality piece. Writer's is May 4th and 5th a two day event. There will be different activities for the kids. There will be an in house book fair where parents can purchase student products.

Boones Ferry might sponsor a Spanish immersion classroom for the next school year.

Ruth is doing a walk for Autism Speaks and is looking for sponsors. She asked for a \$200.00 donation from our pss. She is going to ask individuals instead.

Should we sell dragonfly tshirts at the student's store. Group thought it was a good idea to try it.
