

PSS meeting January 11th, 2010

Present- Kimberely Nelson, Mary Killea, Ericka Katz, Erick Osterich, Jodie Westing, Jennifer Patterson, Angee Glatra Van Loon Tracy Dunn, Leslie Jenson, Michelle Woolard, Stephanie Wettstein

Meeting Opened-

Treasurer report- Jodie gave the report discussing gingerbread night. We just made a big payment for the spirit store. There will probably be another apparel order this year. We might have to watch the artist in residence budget.

Upcoming Events-

Family Science night- many families are planning on attending so it will be a good first night and learning experience. We hope to have a positive impact on the science fair with this kick off. The process can be based on an inquiry model. The science fair will be more visually friendly to young children and there will be more recognition for participants as well.

Texas Hold 'em Evening Event-- We are having some difficulty securing a venue for the event. Currently the only option we have The Community Center. We will do an online registration.

BINGO- Our free family fun night will be on April 9th. We are looking for raffles ideas

Family Literacy Night- We are still looking for an author. We also want to find a way to encourage more families to come.

Fun Run- We might try and fund a reader board. Other ideas include- early childhood playspace or more playground equipment.. Some of the fundraising budget will be for the technologist in residence.

Parent Night-We had a candygram fundraiser for speakers for parents. We are teaming up with Boeckman. Trudi Ludwig will be the next speaker. The date is March 17th from 6 to 7:30. It will be an exciting event full of helpful parenting information.

Board Elections- It will be different than in the past. The voting will be done electronically by email.

Bond Money- There is a lot of technology that will be coming to Boones Ferry soon including mini notebook computers targeting the 4th and 5th grade students.
