

PSS Annual Meeting-

Attending- Kari Marks, Stephanie Wettstein, Dianne Knight, Ericka Osterich, Julie Gieber, Jodie Westting, Ericka Katz, Tracy Dunn, Michelle Woolard, Angee Glastra Van Loon, Mary Killea

7pm-

Call to order and introductions.

Treasurer report- We currently have \$31,000.00 in 3 different accounts. Fun Run sponsorships are coming in! \$1,200 have come in from our community partnership nights. Texas hold'em netted about \$200.00. Check with teachers to make sure they have spent their allocated money.

Principal's report- Jennifer spent time talking about a different approach to the current way students eat lunch. All students will probably eat lunch in their rooms next year. This year 2nd and 4th grade students have been trying this out and it has been going well!

Jennifer also discussed that the district is looking at equity in teacher plan time across the district -one idea is an early release model. There might be some hour long enrichment classes offered. There was a lot of discussion regarding the feasibility of this model. This will be looked at more by the district in April at the next board meeting. The science fair was a great success!!! 4th and 5th grade students are using the new mini notebook computers in their classrooms. This is very exciting and is going well.

Random Kindness Presentation- Julie Gieber- The foundation was started in 2001 as "helping hands for families in our community" There is a website www.randomkindness-or.com where there is more information. We would like to focus with the students on learning about kindness. There might be a link with this group with our auction next year.

Updates on all our coming events- Bingo Night is coming up on April 9th. Family Write Night is April 12th. Annual book Exchange is April 22nd. Staff Appreciation week May 3rd- 7th.

There is an extra fundraiser this year- Original Works Magnet Art. Parents have an opportunity to purchase items with their child's art work on it. The items will be here by mother's day.

Yearbook cover- we will be voting for the cover and the back.

Board Elections- Slate of board officers presented and approved.

3 teacher grants were approved!!!

The meeting was adjourned!
