While we discussed business we stuffed boxes purchased from Michaels with candy to be given to the teachers on Monday Dec 19th by Mary Killelea and Jennifer P. from the PSS group.

The meeting lasted 50 minutes total.

Items covered:

Teacher wish list – we approved the 1st grade request, 2nd and K. grade level requests. We extended the time that 3-5 could turn theirs in till Jan 12th 2009

Tammy Puppo had forwarded Mary K a message that she will no longer be chair for Box tops and Albertson's cards in the upcoming 2009/2010 school year. Others were reminded to think if they want to rerun for the board and have their decisions made by March when new year board will be voted in.

Student store update – impromptu store out front that Anne, Ericka and Mary did went well raising an extra \$150 dollars.

Jennifer P. gave the group an update about the spanish teaching/classes that BFP is considering.

Spirit day recap – going well need to announce winning classes to motivate classes to participate.

Gift card sales not doing great but we are on track dollar wise where they were last year at this time. So not all bad.

Mary brought up to the group the idea of canceling the activity portion of the meeting for the rest of the year due to the lack of participation and to save money that is being spent on the activities. Group agreed.

Reminders – binders will be passed out and we need to work on filling those for the next board and chair members.

Adjourned early due to lack of content to cover and activity portion of the meeting wrapped up early because we started it at 6pm.
