

PSS Meeting- April 16th

Greetings- starting a new format with a morning meeting. We will get feedback and see if it will continue.

Budget Report- Are there questions? The budget is being passed around for review.

Gift Cards are available for purchase today.

Amendments to the bylaws- there is a proposed change to move to 3 public meetings per year. The option will be there to add public meetings if needed and requested by a teacher or parent. The pss will continue to meet every month.

There is also a proposal that board position elections take place in March instead of May for a better transition. Both proposals were approved.

Yearbook Cover vote- We will all vote on our top three. Gail Anderson is continuing to ask for photos for the yearbook.

Allison Sherman – Toolbox update. Fliers have been sent out. Currently there are 14 orders online with more to come. Part of the proceeds will benefit the school. Backpack is not included with the toolbox this year. The company is different than the company we used last year. It gives the teachers exactly what they need also.
